MISSING from South ETOBICOKE

Have you seen me? I have become lost in an unfamiliar area. I am a new rescue. I am terrified of people. So please ignore me if you see me, so I don't run further.

DO NOT APPROACH me.

If you see me please do not call out to me or whistle, please **IGNORE** and call the number ASAP and tell them when you saw me and which way I was travelling.

DO NOT FOLLOW me.

Please do not post sightings online.

NEVER CALL OUT to or CHASE/FOLLOW a loose/lost dog. They will run, and risk running into danger (traffic, woods etc)

Please help me get safe by calling ASAP with any info or if seen. Thank you!
