

## **Cat Lovers – We need your help!**

Are you interested in helping out in the cat community? Do you have a passion to help our cats in foster care? If so, we are looking to add to our Cat Foster Team.

We receive daily requests for help from the community but we require more volunteers and resources to keep up and help our cats and kittens!

We are currently seeking two **Cat Foster Coordinators** to join our **Cat Foster Team**.

Hours: flexible, 2-4 hours per week

Duties:

- Provide ongoing assistance, coaching and moral support to foster families  
Engage with foster families on availability, medical needs, and ongoing care of foster animals in their care
- Recruit new foster caregivers as needed
- Coordinate pick up and transfer of animals between partner veterinarians and foster families
- Make recommendations/decisions on placement of foster animals  
Attending foster team meetings e.g. monthly
- Engage the foster manager for advice on medical issues regarding a foster cat and/or before organizing vet appointments and follow up
- Follow up on vet visit results by contacting the vet office and advise the foster manager of the outcome of a vet visit from the vet perspective once results are received to discuss next steps
- Arrange for food and supply pickup during foster care stay as required
